

Curriculum - Vitae

1 – Essential Informations

Surname : AHMAD

First name : Mohamed - kheir

Language : Arabic – French – English (Scientific Language)

2 – Qualification

Degree	Speciality	University	Country	Date
Bachalorieuce	Mathematic	Aleppo University	Syria	1971
D.E.A	Pure Math.	Claude Bernard Lyon - I -	France	1973
Doctorate of 3eme cycle	Pure Math.	Claude Bernard Lyon - I -	France	1975
Doctorate es sciences (Ph.D)	Pure Math.	Provence-Marseille	France	1977

3 – Appointment State

Job Type	Place	Period	
		from	to
Lecturer	Math. Dep. Tichreen Univer. Lattakia - Syria	23-2-1978	22-2-1983
Assistant Professor	Math. Dep. Tichreen, Aleppo and E.A.U Univer.	23-2-1983	12-1-1990
Professor	Math. Dep. Aleppo Univer., Oum Al-Bowakee Univer.(Algeria) Al-Fateh Univer. (Libya) AAI Al-Bayt Univer.(Jordan)	12-1-1990	20-9-2004
Head of Math. Department	Aleppo Univer.	3-9-1993	2-9-1997
Head of Mathematical Statistics Department	Aleppo Univer	20-9-2004

4 – Publication Researches

1. Sur les Anneaux Euclidiens , d´après P.Samuel et C.R.Fletcher , Ann.Fac. des sc. Lyon – I- 1973

2. . Anneaux de Groupes et Ordres Maximaux (sujet du thèse de doctorate de 3eme cycle) Ann.Fac.des sc. Lyon – I – 1975 .
3. Sur le Groupe des Unités de $Z [G]$, C. R. de Paris , Série A , 1977 .
4. Sur L'Isomorphisme des Anneaux de Groupes, C. R. de Paris , Série A , 1977 .
5. Une Remarque Sur L'Isomorphisme des Anneaux de Groupes, C. R. de Paris , Série A , 1977 .
6. Isomorphisme Problem of Group Rings " , Research J. of Tichreen University 1983 .
7. Sur le Problème d'Isomorphisme et la Suite de Dimension , Annale Fac. Des Sciences de Toulouse , 1987 .
8. Units Group of $Z [G]$;J. of Aleppo University , 1988 .
9. Isomorphisme Problem and Units Group of $Z [G]$ " Research J. of Aleppo University , 1994 .
10. Ci(N) Property and Isomorphisme Problem " , Research J. of Tichreen 1995 .
11. Generalization of Darlik Theorem Concerning the International Conference On Statistics , Computer Science & Applications , Cairo – EGYPT 1996 .
12. Dispersion of Sum of Dependant Random Functions " , 3st Jordanian Conference ;On Mathematics , 1996 .
13. Maximal Orders and Group Rings " , 3st Jordanian Conference On Mathematics , 1996 .
14. Zero Insertive Group Rings " Research J. of Aleppo University , 1998 .
15. Group Rings and Didekend Orders " Al-Manara J . AAl-Albayt University,1999.
16. Asano Orders and Group Rings " The 2st Scientefics Conference of AAl-Albayt University , 2002 .
17. Some Remarks On Fully Semi Prime Rings , The 3st Scientefics Conference of AAl-Albayt University , 2003 .
17. Fully Semi Prime Right Rings , Send to Annale Fac. Des Sciences de Toulouse , for publishing .

5 - Books :

1. General Mathematic " 1" & " 4 " - Tichreen Univer.- 1981
2. Mathematical Statistics - Tichreen Univer. – 1982
3. Probability Theory - Aleppo Univer. - 1982
4. General Mathematic " 1" - Tichreen Univer. – 1985
5. General Mathematic 3" - Tichreen Univer. – 1986
6. Algebra " 4" Aleppo Univer. - 1995
7. General ;Mathematic 2 Aleppo Univer. – 1997
8. Principles of Mathematic - AAl Al-Bayt Univer.(Jordan) – 2000

6 - Conference and Scientific Visits

1. Four months in Mathematic department of Provence Univer. – Marseille – France , for scientific research at 1984

2. One week in Yarmook Univer. Invited from Mathemati department for participation in Seminar of Algebra , two conference were offered on Group Rings
3. Participation in 21st International Conference On Statistics , Computer Science Applications , Cairo – Egypt 1996 . , one paper was offered .
4. Participation in 3st Jordanian Conference On Mathematics , Irped , Jordan , one paper was offered .
5. - Participation in " 2 st Scientific Conference of AAL Al- Bayt University, 2002 , 2003 ,as Chairman of Math. Lectures . two paper were
6. Participation in 33 st Scientific week Aleppo Univer.1994 , as Chairman of Math. Lectures .
7. One month in Mathematic department of Provence Univer. – Marseille – France as Professor Invited ., 1997 ,Several conference were offered .

7 – Other Scientific Subjects:

1. Supervision on "12" master degree of Mathematic, finished successfully .
2. Obtain Abd – Alslaam prize for Scientific Advance in Syria , 1989 .
3. Member of committee of Scientific research and high studies at AAL Al- Bayt University, from 1999 to 2003 .
4. Editor Member of Al-Manara Journal of AAL Al- Bayt University, from 2000

8 – Courses Which has taught:

Algebra – linear Algebra – Topology – Differential Equations – Calculus – General Mathematic – Mathematical Analysis – Probability and Statistics .
