

Elisabetta Magnaghi

Associate Professor in Accounting and Corporate Finance
Renmin University of China – Campus de Suzhou

BIOGRAPHY

After graduating with a degree in Management Science from the University of Pavia, she obtained a Master's degree in Business Administration at The University of Nancy in 2005 and gained excellent experience of financial and management accounting, having then worked as a management controller for 2 years, in a French company.

She was then engaged in a process of doctoral research before being awarded a double Ph.D in Management Sciences from the University of Lorraine and the University of Pisa) in December 2012. Her Ph.D was obtained within the framework of the international co-supervision agreement, involving the two Universities.

RESEARCH INTEREST

Integrated Reporting, EFQM Excellence Model, Business Model, Intellectual Capital
